Socks on the 2nd July 8th

Please bring new socks to donate, darker colors very welcome. They go to Well in the Desert in Palm Springs to give out to local homeless persons. The socks you give will cushion footsteps during long treks on foot, provide a sense of comfort and dignity, and keep feet warm and dry at night. Join us right after service to do a quick count and get them out to the car. Reminder: we have limited space to store and to transport all these socks, so we ask socks only. If you have any other items to donate, please contact the Well in the Desert or another local charity and transport those items yourself.

Thanks!

UU Peace Labyrinth Oasis Update

Team Labyrinth is happy to report the completion of the grading, the concrete pour, scoring and curing. Collaboration continues among the committee, builder Asaro and those subs brought in for their expertise. The oasis is fully planned per Architect Dan Spencer's drawings and little by little you'll notice elements arriving.

The anticipated Chartres-style design etch date is elusive at this moment pending the professionals, who, though accomplished artisans, are not accustomed to our triple digits. The design will be etched when those artist's hands/heart/head agree the conditions are 'right'.

Wherever your travels take you, please find a small pebble or stone you can bring back to add to our Ribbon Opening Ceremony on October 14 after services, by which time we trust that the UU Peace Labyrinth Oasis will be complete ... at least complete enough to enjoy a celebratory ribbon opening, lunch, gracious words and good cheer.

There's a Choir Rehearsal on July 11!
