Tis the season of seeking hope in the midst of troubles, and reassurance that we still have gifts to give and receive. This Sunday we will look at the miracle of Hanukah, and ask the perennial question, "What shall we do with our gifts?"

***A Sermon for the Solstice: "Following Our Star Home"***

**Worship Leader:** Rev. Barbara Fast

Solstice means 'sun stands still'. It is the year's longest night. Human beings have always looked up and watched the night sky stars move. We seek to navigate our fears and hopes with some kindness and courage.

***Christmas Eve Candlelight Zoom Service***

**Worship Leaders:** Rev. Barbara Fast, Rev. Ian Riddell, Bryna Blum, Choir, Kurt Jordan and Soloists!

***Gentle Strength: Kindness and Healing***

**Worship Leaders:** Rev. Ian W. Riddell

The band know as The Alternate Fields tell us that “We are how we treat each other, nothing more.” As we face a new year and new opportunities to build a world of justice and equity, as we strive to heal our hearts and our relationships in a time of struggle, how do we remain steadfastly faithful to each other? ### **Scrip Gift Cards**

Are you at a loss as to how to safely do your holiday shopping? Do you miss our SCRIP fundraisers for UUCOD?

There is now an app you can use to order Scrip Gift Cards (mailed directly to your home), or ECards that you can put in your virtual wallet for shopping, or to email as a gift, to your contractor, or your neighbor who does your grocery shopping for you.

What I like about the App & the wallet feature is that you don't need to carry a zillion giftcards with you. You always carry your phone, right? Or if you are shopping at a store & haven'tt purchased a gift card yet, you can quickly go to the app & buy one while you are waiting to check out.

The App is called Raise Right & its so easy to use & UUCOD gets a percentage of each card purchase. The church code is **65BF518511248**

There is normally a shipping fee on the actual gift cards, but thru Dec 4, there is no cost to you for the cards to be mailed to your home. (there is a \$0.15 fee to have the funds for your card purchase transferred from your checking account ).

If you want to finish your shopping the easy way & help UUCOD, download the Rase Right App now. If you need help, call or email me- I'm in the directory.

Happy Shopping!

## **CREATING CHRISTMAS EVE STARS**

As we celebrate Christmas Eve on the 24th, we'll be taking some time to share our hopes and dreams for the coming year. We want you to help us build this part of our service. Last year, we hung stars on our tree. This year technology will help us do something wonderful!

Here's how:

1. **Download** the pdf of a Christmas star from this link: [https://drive.google.com/file/d/1Lsvv8dc4pR\\_eQ0ngujUO\\_fd4M3A8m388/view?usp=sharing](https://drive.google.com/file/d/1Lsvv8dc4pR_eQ0ngujUO_fd4M3A8m388/view?usp=sharing). Print it out. There will also be some pre-printed stars in a basket outside the church building—you can drive by and pick up what you need. (Please be sure to wear a mask and social distance if others are there when you are). You could even draw your own star!
2. **Think** about what you hope the new year will bring. Think about what you'll bring to the new year.
3. **Write** your thoughts inside the star and then **decorate** it with lines and color. Make it look spectacular! Couples and families can make one star or individual stars. The

more the merrier!

4. **Take a picture** of the star with your phone or digital camera or tablet and **send** the picture to Rev. Ian at [revianwriddell@gmail.com](mailto:revianwriddell@gmail.com) by **Sunday, December 13**.
5. Hang on to your stars. We're going to collect them after Christmas so they can become a more-permanent piece of collective art crafted by Glenn Yamaguchi. Stay tuned for more instructions.

If you've got questions, please contact Rev. Ian at [revianwriddell@gmail.com](mailto:revianwriddell@gmail.com)

Thanks and happy imagining!

#### **In This Holiday Season May We Simply Be**

As we embark on this season of holidays and holy days, I hold you and our faith community in deep care. This season will be different than any we can remember. We cannot gather in our sanctuaries and sacred spaces, bedecked with greenery and poinsettias. We cannot gather close together in candlelight and song. Our dearly held traditions that bring so much joy to this season of magic and beautiful darkness will be pared down, virtual, even canceled altogether.

It's heartbreaking to think of going through this season without the company of extended family and friends. And for so many of us who have lost loved ones, our grief will be heavier during the holidays—especially in a year such as this.

It reminds me that it is more important than ever that we let the people in our lives know how much we care about them. We need each other now more than ever. I am grateful for the ways technology allows family and community and colleagues to gather and support each other across great distances. In this spirit, I offer [this holiday video message](#) to you and your congregation. I invite you to use it in an upcoming worship service.

Now is the time to lean in more to relationships of care and compassion, to lean in more to our interdependence. Gathering virtually, calling our friends, checking in on each other—it matters. One of the things keeping me rooted these days is remembering to take it one day at a time. It is so easy to focus on missing what cannot be or the difficult road still ahead in the pandemic. In staying attentive to the present, I am able to attend to my grief, while also being open to the affirmation of life that is still very much present.

My hope for each and every one of us, in the midst of a season so often marked by hectic to-do lists and the recreation of some "perfect holiday," is that we give ourselves permission to rest, to simply be, rather than always doing. To tend to the grief and the joy that is a part of our lives. To make room in our days for our spiritual care and renewal.

Just as the earth takes time to rest in the winter, let us remember the gift of darkness that is part of this season—a reflective moment in the cycle of life. In the words of Buddhist teacher Stephanie Nobel:

"Dark is the rich fertile earth  
that cradles the seed, nourishing growth.  
Dark is the soft night that cradles us to rest.  
Only in darkness  
can stars shine across the vastness of space...  
There is mystery woven in the dark quiet hours.  
There is magic in the darkness...  
We are born of this magic."

I send you all my love and many, many blessings during this holiday season.

Yours,

Susan

## SOCIAL JUSTICE

### Well in the Desert is a Lifeline During this Pandemic

Well in the Desert, our December 20th Share the Plate recipient, is a small grassroots organization that has been operating for 25 years. In a normal year they serve more than 1000 people who are affected by poverty throughout the western end of the Coachella Valley. However, with this pandemic, they see more than 100 clients walk through their doors every day!

With Project Room Key - California's short-term response to reducing COVID-19 among the homeless population - not being renewed, all those who've been housed in hotels within the Coachella Valley will be evicted by December 31st. That combined with there being no overnight shelters in Palm Springs, Desert Hot Springs, & Cathedral City means that everyone will once again be homeless sleeping in the desert when our nights are in the 40s!

So Well's mission to provide these items becomes even more important:

- Nutritious lunches 7 days a week
- Emergency food assistance
- Weekly supplemental food distribution
- Assistance with food stamps, emergency medical financial assistance, & IDs
- Showers & personal care products
- Clean warm clothes & blankets
- An address so clients can receive assistance checks & personal mail
- Case management for medical, mental health, & dental services
- Van rides to appointments
- Advocacy
- And much, much more!

Most of all, the Well provides a place where people can be treated with dignity and respect, which when you think about it, is our first principle. Please give generously this holiday season.

## NEWS FROM CAMP DE BENNEVILLE PINES

### News from Camp de Benneville Pines

It has been an unprecedented year for camp. For those of you who have been to Camp de Benneville Pines, you understand what a lovely, lively camp it is. Some of us have had wonderful experiences at the camp located high in the San Bernardino Mountains.

2020 has been a difficult year for the camp. First the Coronavirus Pandemic followed by the El Dorado Fire that came incredibly close to the camp has created a crisis for the camp. If you are a camp lover, look through their website. Maybe there's a way you could be of assistance. Maybe you will become a future camper.

This information is from their website: [Home - \(uucamp.org\)](http://uucamp.org)

**Camp de Benneville Pines is located in the San Bernardino National Forest**, about 90 miles east of Los Angeles at an elevation of 6,800 feet. The mountain hosts a forest of towering pines, cedars, and oaks. Lending to the beauty and feeling of remoteness, the camp is surrounded by U.S. Forest Wilderness. Camp de Benneville Pines operates as an independent non-profit. It is supported by the 50 + member congregations of the Pacific Southwest District (PSWD) of the Unitarian Universalist Association (UUA). Due to this commitment, generations of Southwest UUs have been nurtured by Camp. In turn,

campers have built up a well-maintained and well-loved resource.
