

## UUCOD Board Liaison Responsibilities for FY 2024 – 2025

This is a list of Board Member and Minister connections with the committees and groups of the church. The Board Members are not required to attend committee and group meetings. Board Members will keep up to date on the activities and needs of these committees and groups and bring that information to the board meetings. As Board Members provide liaison services to the committees and groups, they will send the agenda and notes from their meetings to their Board Liaison, so that the Board Member is aware of the actions and needs of their assigned committees and groups. (See By-Laws, Art. VII, 1. [“Board shall provide . . . liaison services as needed to Committees and Councils”]; By-Laws, Art. VII, F.5. [“Board has power to appoint Directors to serve as liaison between Committees and Board”].) If the Board Member does not hear from the chair or head of the committee or group, it would be appropriate to email or call them for information.

<b>BOARD MEMBER</b>	<b>ASSIGNED CONNECTIONS</b>
